

Dear Sir or Madam,

my name is Bernd Mozer and I am the new export manager of company Reinbold.

About me:

I was born in the southwest of Germany. After an apprenticeship as a carpenter, I studied business at the university of applied science in Heilbronn. Since I finished the university I work as a technical salesman. Meanwhile I am 37 years old and married.

I am looking forward to work with you together and will be pleased to support you with information and prices.

Please don't hesitate to contact me!

Hoping to hear from you soon.

Best regards,
